

Privacy Policy:

1. What personal information do we collect?

We receive and store information about our customers. You provide this information. The information we collect is used for responding to requests, customizing information to your particular business needs, improving our website and any communication to you about your franchise.

2. How do we use your information?

Lunar Landing Moonwalks, LLC requires our franchisees to purchase a franchise with cash or a certified check (cash). We do not accept credit cards. You must be 18 years old to purchase a franchise with out an adult directly involved with a franchise purchase. The information you provide will be name, address, address of your business, all contact information such as telephone numbers and E-mail address. Any contact information you provide will be for the sole purpose of communicating to my franchise customers. Lunar Landing Moonwalks, LLC will not sell any personal information you provide or "sell" your information to be a part of any "list" for solicitation.

3. How do we protect your personal information?

I work to protect your personal information using a firewall to protect illegal intrusion. I limit access for your personal information on a need to know basis. It is important to you as the computer user to protect your passwords and sign off after using a shared computer. No computer system is completely safe from an attack; I will take every reasonable precaution to protect your information. Please note the information we have on file is for contact purpose only and would be deemed relatively useless if a security attack would happen.

4. Vendor websites for purchases.

When purchasing moonwalks from the manufacturer, you will supply information to the vendor. You will make a purchase using a credit card and supply contact information. Please read the vendors privacy policy and ask about the vendor's credit card security and filing process. Lunar Landing Moonwalks, LLC will not be responsible, in regard to the purchase of additional supplies and equipment, for any security breach or personal information attack assigned to the vendor.
